Improve our playground

Your school has been awarded some money in order to improve the school grounds. The headteacher wants to know how you think the money should be spent and has put up this notice:

Improve our playground!

We have been given some money to improve our playground. There have been lots of suggestions about what could be done, such as a swimming pool, new playground equipment, a nature area or a school garden.
If you have any ideas about how you think we should spend the money to make improvements, write them down on a suggestion form.

Headteacher

Your task is to write about the changes you would like to see and why these would make things better.
