### **Section Two: Mark Scheme**

Award a mark of best fit using the table below to help you

Mark	Description
18-20	Ambitious vocabulary which depicts an exciting scene which is easy to picture. The description is written in clear paragraphs with excellent punctuation and varying sentence structures. The beginnings of the sentences are varied and the candidate has created an appropriate tone and mood. Spelling is almost always accurate.
14-17	Good vocabulary and a clear scene which can be pictured. Paragraphs are mostly accurate and punctuation is mostly appropriate. Sentences show some variation and there is some attempt to create tone or mood. Spelling is about 75% accurate on more challenging words.
10-13	At this level, the candidate has passed the assessment but will need some assistance with their creative writing if they are to be successful post-11+. Their writing is mostly coherent and there is some attempt at description but it is not always easy to follow. Punctuation and spelling of more challenging words are about 50% correct.
6-10	This is not a pass and means the candidate has written either a description which does not match the task (e.g. is about something totally unrelated) or is very difficult to

	understand. There are many spelling errors and paragraphs are not used.
5 or under	A limited number of marks can be awarded due to the content of the writing. Perhaps only a few sentences have been written and they do not seem to be coherent.
