#### Part-time jobs

Your class is preparing an assembly about the advantages and disadvantages of part-time jobs for students. Your teacher asks you to write a role-play for your class to perform and gives you the following note:

A teenager wants to have a part-time job. The teenager's parent doesn't think it's a good idea.

Write a script of their conversation.

Set your work out like this:

Teenager: I really want this job; it's only an hour a day.

Parent: (*puts down newspaper*) Oh yes? What about your homework then? Have you thought about...

You can continue this script, or start a new one of your own.

Think about:

- the concerns a parent might have
- the views of the teenager
- the ending: how the conversation will be resolved

**Write the script for the assembly in which the teenager and the parent argue their different points of view.**
