1. Introduction

The Standards and Testing Agency (STA) is responsible for the development and delivery of national tests and assessments. STA is an executive agency of the Department for Education.

The 2017 test assesses the 2014 national curriculum. The test has been developed to meet the specification set out in the test framework for English grammar, punctuation and spelling at key stage 1. The test frameworks are on the GOV.UK website at www.gov.uk/government/collections/national-curriculum-assessments-test-frameworks.

A new test and mark schemes will be produced each year.

The key stage 1 tests can be used and marked internally within schools to inform teacher assessment.

Scaled score conversion tables are not included in this document. Conversion tables will be produced as part of the standards maintenance process. Scaled score conversion tables for the 2017 tests will be published at www.gov.uk/guidance/scaled-scores-at-key-stage-1 in June 2017.

The mark schemes are provided to use when marking pupils' responses. The pupil examples are based on responses gathered from the test trialling process.

2. Structure of the key stage 1 English grammar, punctuation and spelling test

The key stage 1 English grammar, punctuation and spelling test materials comprise:

- Paper 1: spelling (20 marks)
- Paper 2: questions (20 marks).

3. Content domain coverage

The 2017 test meets the specification set out in the test framework. Tables 1 and 2 set out the areas of the content domain that are assessed in Papers 1 and 2.

4. Internal moderation procedures

We recommend those who are involved in marking the key stage 1 tests undertake moderation activity to ensure marking is consistent across their school.

5. Paper 1: spelling

5.1 Content domain coverage for Paper 1: spelling

This information is provided in the mark schemes in Table 1.

5.2 General guidance on marking Paper 1: spelling

The following guidance applies to all questions in Paper 1. Please read this carefully before applying the individual mark schemes.

- If more than one attempt is made, it must be clear which version the pupil wishes to be marked. If two or more attempts are made and it is not clear which answer should be considered, the mark is not awarded.
- Spellings can be written in upper or lower case, or a mixture of the two. The exception to this is for days of the week, which must be written with an initial capital letter for the mark to be awarded.
- If a word has been written with the correct sequence of letters but an apostrophe or hyphen has been incorrectly inserted, the mark is not awarded.
- If a word has been written with the correct sequence of letters but these have been separated into clearly divided components, with or without a hyphen, the mark is not awarded.
- If a reversed letter has been used, it must be unambiguous for the award of the mark. Markers may refer to the pupil's handwriting in the rest of the paper to decide whether or not the letter is ambiguous.
- Crossed-out answers that have not been replaced by a further attempt should not be awarded the mark.
