Instructions

On your paper write:

Your first name

Your last name

Your date of birth

Your school name

Questions and answers

You have one hour, plus your additional time allowance, to complete this test. Read one text and answer the questions about that text before moving on to read the next text. There are three texts and three sets of questions.

In this booklet, there are different types of question for you to answer in different ways.

Short answers

This shows that you only need to write a word or a few words in your answer.

Sentence answers

This gives you space to write more words or a sentence or two.

[braille page 2]

Longer answers

This shows that a longer, more detailed answer is needed. You can write in full sentences if you want to.

Selected answers

You need to choose the best answer from those given and write the letter or letters of that answer. Read the instructions carefully so that you know how to answer the question.

Marks

After each question, the type of answer required and the maximum number of marks is shown in [brackets].

As this is a reading test, you must use the information in the texts to help you to answer the questions. When a question includes a page reference, you should refer to the text on that page to help you with your answer.

You have one hour, plus your additional time allowance, to read the texts in the reading booklet and answer the questions in this booklet.

[Note to test administrator]

Please write the school DfE number on the pupil's braille script.]
