**What to do
at the end
of the test**

- If you need to make a transcript of a test script, complete it with the individual pupil at the end of the test, under test conditions. Particular care should be taken to ensure accurate transcriptions are made and the pupil's answers, including spelling, are not corrected or amended.
- Ensure you inform your senior member of staff/test co-ordinator if you have made a transcript, or if a pupil has used a scribe, word processor or other electronic or technical device. This is so they can complete the appropriate online notification.
- Ensure you have collected every test script, including any unused test materials. Return them immediately to the senior member of staff who is responsible for collating the tests.
- Do not look at, annotate or review pupils' answers in any way (unless it is necessary to make a transcript). If you amend or tamper with pupils' answers, it will be considered maladministration and results could be annulled.
- Do not keep or photocopy test scripts for any reason.
- All test materials, including any unused test papers, must be stored securely until Friday 24 May.
