

### General marking principles

- Answers should be single values in their simplest form unless the mark scheme says otherwise
- Accept reversed digits provided intention is clear e.g. a reversed 2 must clearly show the characteristics of a 2 rather than a 5
- Do not award the mark if more than one answer is given

Question	Answer	Marks	Notes and guidance
1	9	1	
2		1	
3	A single counter drawn in each of three of the boxes on the second ten frame.	1	Accept counters drawn in any three boxes on the frame.
4		1	Accept any clear indication.
5	8	1	
6		1	Accept any clear indication. Allow slight inaccuracy provided intention is clear.
7	43	1	
8	taller	1	
9		1	
10		1	

## Year 1 – Reasoning &amp; problem solving

Question	Answer	Marks	Notes and guidance
